DETAILED ACTION

Allowable Subject Matter

1. Claims 1-23 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding claims 1, 2, and 12, the references of the Prior Art of record fails to teach or suggest the combination of the limitations as set forth in claims 1, 2, and 12, and specifically comprising the limitation of a tension mask assembly with a sub-frame and a main frame that is bent in the middle portion in a width direction and has a perpendicular portion and another portion opposite the mask that has a greater width in the middle than at the edges.

Regarding claims 4-7, claims 4-7 are allowable for the reasons given in claim 1 because of their dependency status from claim 1.

Regarding claims 3, and 8-11, claims 3 and 8-11 are allowable for the reasons given in claim 2 because of their dependency status from claim 2.

Regarding claims 13-23, claims 13-23 are allowable for the reasons given in claim 12 because of their dependency status from claim 12.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
